* **Intended Learning Option** – All students must be registered with the Queensland Studies Authority (QSA) within one year before turning 16 years of age. Registration with the QSA will open a Learning Account for the student. The registration process includes gathering information about the student's demographic details such as name, age and sex. The process also gathers information about the student's intended learning options for their Senior Phase of Learning. After the initial registration, which creates the Learning Account, the provider (Shalom College) will maintain the student's details on a regular schedule by updating the Learning Account data. Learning Account data will be used to determine a student's eligibility for a Queensland Certificate of Education (QCE). More information about this process (including the QCE) will be provided to students and parents during Year 10.
