* Compulsory subject area for all students – students will have the option of selecting modules during Year 10 in English, Mathematics, Science and Humanities & Social Sciences that meet their learning needs and have links with some Year 11 and 12 subjects. **Students tentatively select one module to be studied in Semester II. Some modules may be prerequisites for particular Year 11 and 12 subjects. ^ Subjects listed are based on initial offerings for 2018. The Senior curriculum is being reviewed and subjects listed will change from 2019 as indicated. These are presented as an indication of possible pathways only. Similarly, the process of tertiary entrance will change in 2020 from the current OP system to a system based on the Australian Tertiary Admissions Rank (ATAR). Subjects listed above in italics, referred to as "Applied Subjects" from 2019 will only make a limited contribution towards an ATAR if at all in most cases. # Subject discontinued after 2018.
