* Compulsory subject area for all students – students will have the option of selecting modules during Year 10 in English, Mathematics, Science and Humanities & Social Sciences that meet their learning needs and have links with some Year 11 and 12 subjects. *Students tentatively select one module to be studied in Semester II. Some modules may be prerequisites for particular Year 11 and 12 subjects. * Subjects listed are based on initial offerings for 2017. The Senior curriculum is currently being reviewed and subjects listed may change from 2018. They are presented at this time as an indication of possible pathways only. Similarly, the process of tertiary entrance is expected to change from 2019 from the OP system to a system based on the Australian Tertiary Admissions Rank (ATAR). While details of how the ATAR will be determined are not fully available at the time of writing, subjects listed above in italics may not contribute towards an ATAR.
