SHALOM COLLEGE – TUITION FEES & LEVY SCHEDULE FOR 2017

Federal and State governments acknowledge the right of parents to choose the school which best suits their children's needs for educational, religious, cultural or other reasons.

However, in comparison with funds spent on students in government schools, government funds committed to non-government schools remain limited. Your contribution through school fees is essential to the continued operation of the College.

	YEARS 7-9	YEAR 10	YEARS 11-12	
TUITION FEES	\$ 2060	\$ 2060	\$ 2530	Family discounts apply on Tuition Fees only. See below for more details.

PER FAMILY

ADMINISTRATION LEVY	\$ 40	This levy is discounted if accounts are paid by the due date. If accounts are not paid within 14 days, this levy is to cover recovery costs.
BUILDING LEVY – DIOCESAN SECONDARY COLLEGES	\$ 472	Each family will be charged a building levy of \$118 per term in conjunction with normal school fee billings except where families have children attending diocesan catholic primary schools. This is a compulsory diocesan levy. As this amount forms a collectable part of school fees no tax deduction is possible. This levy will assist in meeting the cost of servicing our capital debt and the cost of construction of further facilities at Shalom. Families with children enrolled at diocesan catholic primary schools will be charged a school Building Levy at the primary school.
PARENTS & FRIENDS LEVY	\$ 60	Each family will be charged \$15 per term to support the work of the Shalom College P&F Association and is in lieu of all other major P&F fundraising.

** Levies include:

- School Based Levies - General administration expenses pertaining directly to students – curriculum resources, library resources, printing.
- Specific Purpose Levies - Cost of photocopying of subject materials, providing materials for student use in practical subjects such as manual arts/art/photography, ingredients used in hospitality, entry fees to pool and other PE venues, local bus costs for excursions, calculator hire, Student Record Book, Calendar, Magazine, ID cards, subscriptions, affiliations to sporting bodies.
- Camps and Retreats
- Information Processing & Communication Levy - Technology software use throughout the curriculum involving access to school electronic data and the internet.
- Sport – Costs relating to school carnivals (swimming/cross country/athletics) and other intra-school sporting activities.

Other Charges – Separate charges will appear on term fee accounts for items such as workbooks issued to students, excursions outside of the local area, music lessons, music or english performances, certificate courses.

Print Charge – A \$20 print charge is included in each students' fees to cover the printing cost from computers. If this credit is used, students will be required to contribute a further amount towards their printing account.

For Catholic schools to operate effectively and provide high quality education, a reasonable fee structure is essential to meet the shortfall between the basic costs of running a school and the amount funded by governments.

Catholic Education strives to keep fees as low as possible. To ensure that all families who seek a Catholic education for their child/ren is attainable, the following discounts may apply:

1. Family Discount

Families with more than one child in the same or other primary or secondary Catholic schools in the Rockhampton Diocese, receive fee discounts for the second, third and subsequent children. This information is collected at the beginning of each school year or at the time of enrolment and the discount is automatically applied.

Family Discount Structure (on tuition fees only):

Students in Diocesan School	One	Two	Three	Four or more
Discount Percentage	0%	12.5%	35%	50%

2. Concession Card Discount

In 2017 Catholic Education is introducing a means-tested concession card discount. Parents/Carers with an eligible means-tested Australian government health care or pensioner concession card will automatically receive a 70% discount to tuition fees (does not apply to school levies). Card holders are required to advise the school of their concession card at enrolment or when the card is gained. Once the card is sighted by the school's administration, tuition fees for future terms will be adjusted. This initiative is intended to assist those families who genuinely do not have the financial capacity to pay tuition fees in full.

Our Catholic Education policy on school fees states that, *no student should be excluded from a Catholic school because of the inability of their parents/carers/guardians to pay the prescribed fees.*

PAYMENT OF TERM ACCOUNTS

Fees and levies are billed by the term ie four equal amounts charged at the beginning of each term and are payable within 14 days to secure a \$10 per term early payment discount.

Some families may prefer an alternative to paying the term's fees within 14 days. Any of the following options is acceptable.

1. For the term within 14 days
2. For the year (in advance only)
3. By Cash, Cheque, Eftpos or Credit Card
4. BPAY (Biller Code and Reference Number will be found on Statements received.)
5. By Automatic Master/Visa Card deductions monthly – this is available by signing a yearly authorisation stating the date and amount you wish to be charged to your credit card. **Families are asked to contact the Finance Office at the end of each school year in order to review their payments and bring them in line with the following year's schedule of fees and levies.**
6. By Electronic Funds Transfer (Direct Debit) to the Shalom bank account. We can set this up for you through the Diocesan Office at no charge. Transfers can be weekly, fortnightly or monthly for twelve months of the year. **Families are asked to contact the Finance Office at the end of each school year in order to review their payments and bring them in line with the following year's schedule of fees and levies.**
7. By Electronic Funds Transfer via the Internet.

Shalom College is a Catholic Secondary College within the Diocese of Rockhampton. This community highly values the tradition, culture and beliefs of Aboriginal and Torres Strait Islanders and we are very grateful for the presence of those students within our College community. We embed Restorative Practices in our language and practice for all students and staff. We make every effort to live out, daily, the tenets of our College Mission Statement. We make the following commitments to Indigenous families who choose to enrol at Shalom. We also make these commitments to all students and their families who choose to be a part of this community.

ABORIGINAL AND TORRES STRAIT ISLANDER STUDENT BELIEF

As an Aboriginal & Torres Strait Islander student your child will have every opportunity to contribute to the vibrant and diverse community that is Shalom.

We believe that:

- At Shalom, you will be treated with respect and dignity at all times.
- Everyone has a right to be respected.
- We are a more authentic Catholic community because of the presence and contribution of students and families who acknowledge and claim their indigenous heritage.
- Indigenous icons should be highly visible at Shalom
- The acknowledgement of country should be a part of the introduction to any major gathering at the College
- The celebration of Aboriginal and Torres Strait Islander identities is important to all students' learning

SHALOM'S COMMITMENT TO INDIGENOUS EDUCATION OF ALL STUDENTS

Shalom College is committed to teaching all students perspectives of Indigenous culture, story and belief.

We believe that:

- It is vital for this learning community to continue to develop initiatives and programmes to provide meaningful and relevant educational opportunities for our Aboriginal and Torres Strait Islander students.
- It is vital in this educational community to be committed to informing all students of the story of the impact of European settlement in Australia and the effects, for good or ill, which this settlement has had on Aboriginal and Torres Strait communities.
- It is vital for this Catholic community to be committed to closing the educational and social gap that exists between the Aboriginal and Torres Strait Islander community and the wider Australian community.
- It is vital in this Australian community for all to be committed to play a part in the process of Reconciliation.
- It is vital in this praying community to be committed to recognition and encouragement of Indigenous spirituality and culture.
